## Southeast On Call

This service is a shared ride on demand service serving the Southeast area of Amarillo as indicated by the shaded area of the map on the reverse side of this page. Service is available between 7:45 a.m. and 4:00 p.m. Customers may call the day before service to request a pick up.

You can always walk to the stops listed on the time table to get picked up by the On Call Route at the times shown to the right. These times are coordinated with the routes out of our main transit terminal every 45 minutes for convenient transfers. When you board tell your Bus Operator where you would like to be dropped off.

If you wish to be picked up anywhere else within the shaded area on the map, please call 806-378-3905. Provide your location and your drop off location and the Dispatcher will give you the closest location for the Route 30 bus and an estimated pick up time. It is recommended that you call at least 45 minutes before your desired pick up time. Service is scheduled on a space available basis and the Dispatcher may negotiate your pick up time and location to accommodate other passengers.

Drivers will wait 2 minutes beyond the pickup time for you to board the bus. ACT may refuse to schedule trips for individuals who repeatedly no show for a scheduled pick up.
